RWANDA POLYTECHNIC

CALL FOR APPLICATION TO STUDY BACHELOR OF TECHNOLOGY PROGRAMS AT RWANDA POLYTECHNIC ACADEMIC YEAR 2023-2024

The Government of Rwanda recognizes TVET as one of the central pillars of economic transformation and industrial development. The ministerial order N° 003/MINEDUC/2021 of 20/10//2021 determines the new Rwanda Qualification Framework which introduces additional qualification types of Bachelor of Technology (BTech) and Master of Technology (MTech) in TVET sub-sector that are meant to graduate highly competent work force. The graduates of these programs are expected to have strong technological and innovative ability to conceive, experiment, manipulate, prototype, and deliver industrial concepts, products, and services to the evolving needs of society.

The management of Rwanda Polytechnic (RP) would like to inform the public that in addition to the current BTech programs of Construction and Automobile Technology, it is planning to start **Food Processing, Electrical Technology, Information Technology, Manufacturing Technology, and Wood Technology in the academic year 2023-2024.** The application will be done online through https://mis.rp.ac.rw/applications from 20th September 2023 until 01st October 2023.

Interested candidates must meet the following requirements:

- Having completed at least TVET Advanced Diploma in

  1. *Food processing for applicants to BTech in Food Processing*
  2. *Electrical Technology for applicants to BTech in Electrical Technology*
  3. *Information Technology for applicants to BTech in Information Technology*
  4. *Manufacturing Technology for applicants to BTech in Manufacturing Technology*
  5. *Wood Technology for applicants to BTech in Wood Technology*
  6. *Construction Technology for applicants to BTech in Construction Technology*
  7. *Automobile Technology for applicants to BTech in Automobile Technology*

- Proof of English proficiency for students who have background studies in a non-English system.
- Selected candidates will pass the entry examination/interview.
- Foreigner candidates must provide an equivalence certificate provided by a competent organ in Rwanda.
- Copy of National ID or a valid passport for international applicants and notified copy of advanced diploma certificate
- The applicant must have an active email.
- Payment of a non-refundable application fee of 5000RWF
- The selection and admission of applicants will be based on their academic performance, and entry examination/ interview.
- The BTech programs shall be offered on a full time (day) basis.
